MGLA 3036, 17 August 1950

10. In pruning down the [SONIN] group, one member, Dr. Emil AUGSBURG, was taken over into GVL's Headquarters staff but works out of Munich. AUGSBURG comes from Lodz and he speaks Polish and Russian. (Possibly Agent [3056?]) He has now been entrusted with the exploitation of Case SCHWARZ (on which we have as yet received no reports). In Case SCHWARZ one former General Staff officer, Col. WEISS of Berchtesgaden is the central figure. KUEHNE, SCHACK's deputy, in [OFF] SPRING ICO, had been assisting the WEISS family while the husband was a PW. He returned in the late spring of 1950 and wanted to express his thanks to KUEHNE. It developed that WEISS had been a PW of the Poles and that he had been released when he agreed to work for the Polish IS. KUEHNE introduced him to an 'interested party' (AUGSBURG) and WEISS is now writing down his experiences. (Since this might turn into a DA operation, AUGSBURG has been instructed to deliver his reports directly to KERBL (former scenery designer for Fritz FISCHER at the Gaertnerplatz Operettentheater) and now [GLEIDL] headquarters on Munich visits, also a letter drop, from whence messages can be picked up directly by [OFF] SPRING headquarters.)
